

CENTER AXIS RELOCK (CAR) SYSTEM CLOSE QUARTER DEFENSE COURSE

Saturday April 7th and Sunday April 8th 2018 in Edmonton, AB

The Center Axis Relock (CAR) System has been showcased in popular culture via the John Wick movies, the video game Splinter Cell, and many others. CAR is an actual system created by the late Paul Castle for real combat and is still taught by a select few he certified himself (www.SabreTactical.com).

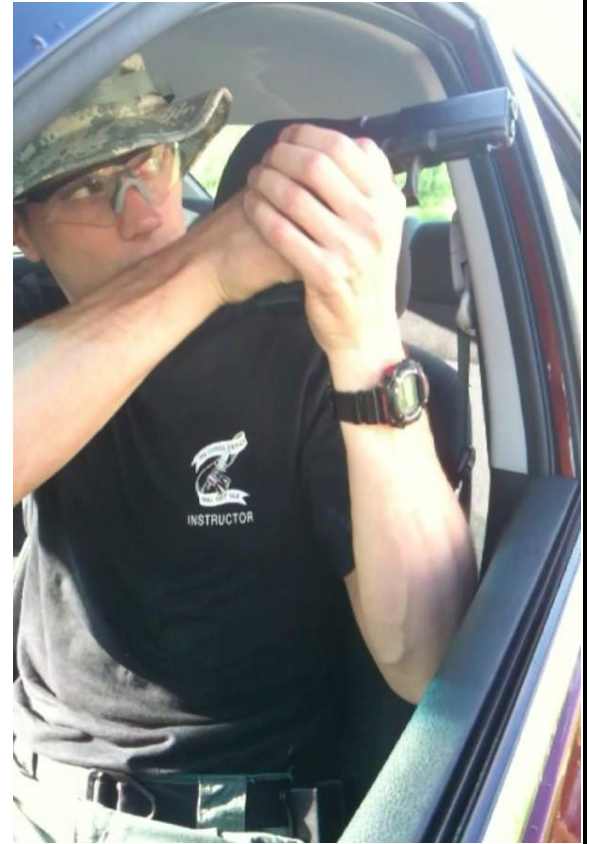

Are you interested to learn the principles of the CAR System for personal growth, enhancing your self-defense or increasing your abilities at shooting sports?

Are you interested to see how CAR seamlessly integrates with other martial arts techniques and defense principles?

Come and learn the CAR System from the systems heir Jeff Johnsgaard.

This course will cover:

- Introduction to the CAR System of firearms usage and how that gives you increased skills for all tool use at close quarters.
- Realistic Self Defense skills focusing on high threat situations like multiple attackers, edged weapons and firearms.
- The CAR Systems 6 "Rs" (Reacting, Reducing, Reloading, Recovery, Returning, Retention).
- How to use CAR to defend yourself in close quarter situations like vehicles, your home
- How to accomplish 360° aimed fire from a seated position.
- Techniques for Close Quarter Confrontations including Edged Weapon and Multiple Attackers.

This course is instructed by heir to the CAR System, Jeff Johnsgaard. The late Paul Castle passed the system onto Jeff asking that he take and merge it with Jeff's self defense skill set. Jeff is also a long time student of Grand Master Kelly S. Worden (www.KellyWorden.com) and in 2016 Worden named Jeff the heir to his system Natural Spirit Int'l / Worden Defense. In 2009 Jeff created Natural Tactical Systems from which he offers Firearms, Defensive Tactics, Fitness/Nutrition training to police, military and protection minded responsible citizens.
