The logo can also be found on tee-shirts awarded to Students for outstanding performance during training sessions. Underneath the design may feature specific wording such as “*Officer Survival*” “*Five under one*” “*No Mercy*” and “*H.E.A.R.T.*” These relate to courses that offer no personal respite on Students training activities, and personal efforts.

The meaning behind the logo is simple but effective. The *Sword* represents the *Right of Justice*. The *Steel Gauntlets* denote the *Challenge of Battle*. The *Latin* text found within the scrolls is translated into the following :

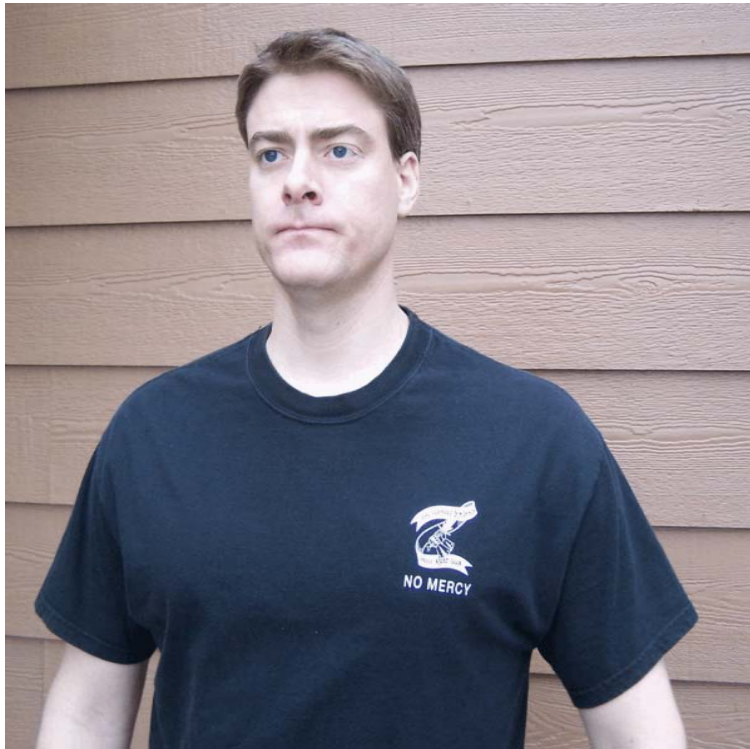

*“Brute force without wisdom, falls by its own weight”*
